Maryhill, March 2018

Otis and Larry's

Lions Foundation of Canada PetValu Walk for Dog Guides 2018

In this our 5th year, Otis and I continue our journey to reach our goal of \$25,000, the cost to prepare a dog guide from birth to graduation, which I have pledged to accomplish over 10 years by participating in the Walk for Dog Guides, location Maryhill. Otis and I ask for your financial support once again. Tremendously generous donations from family, friends, businesses and corporations over the past years have brought us to just over half of our goal.

Since the first Lions Foundation of Canada Vision Dog Guide graduated in 1985 we have graduated 2791 dogs in the now 6 programs; canine vision, hearing ear, service, seizure response, autism assistance and diabetic alert. It is the goal to add 200 dogs to the total this year. There are dogs now in service in every province across Canada.

Every dollar from the walk each year goes only to the dog guide breeding, training, fostering, and graduating programs. A receipt from the Lions Foundation of Canada will be issued for a donation of \$20.00 or more.

If you are willing to support our cause again this year we will be truly grateful. You will be contributing to a precious life changing gift, the assistance of a dog guide. If you would like to sponsor Otis and I in our walk click the following link. (ctrl + click or dbl click)

<https://www.walkfordogguides.com/locations/walker.cfm?ID=780&EventID=1395>

then click on Make a Donation. **OR** personally sign my pledge sheet **OR** mail donation to 508 Shortreed Ave., Fergus ON N1M 3H5.

So proud to be a Lion, So privileged and grateful to have Otis
