

The Diane Strickler Collection of Genealogical Information

INDEX

Over 14 years, from 1983 to 1997, Diane Strickler researched the more than 1,300 families in the area of St. Boniface's Roman Catholic parish, Maryhill (formerly New Germany), Ontario. She has compiled these records by family surname. The attached pages include an index of the surnames of the families in the records.

This information is not publically published, so you will not find it on a website, however the information is available:

- To be viewed in the archives found at the Maryhill Historical Society Resource Centre (Halter House) located across from St. Boniface Church in Maryhill. The information is available to be viewed free of charge.
- In paper format, by ordering a photocopy of the genealogy records from Diane Strickler. The length of the information varies by family and there is a nominal cost to order photocopies of the records.

To order information, or for more information about the Historical Society, write to the society at
